INTRODUCTION

James A. Knauer, as the chapter 11 trustee ("Trustee"), proposes this chapter 11 plan (the "Plan") providing for the liquidation of the assets of the estate of Eastern Livestock Co., LLC ("ELC" or "Debtor"), resolution of claims by and against ELC, and distributions to allowed claims. The Trustee is the proponent of the Plan within the meaning of Section 1129 of the Bankruptcy Code.

The Plan provides for distributions to all allowed claims and further provides for all of the property of the Debtor (largely claims assertable by the Trustee against various parties) to be liquidated over time, and for the proceeds to be distributed to the holders of allowed claims. The Plan also provides to those unsecured creditors who "opt in" a pro rata share of up to twenty percent (20%) of the senior secured creditor's net collateral recovery.

Under Section 1125(b) of the Bankruptcy Code, a vote to accept or reject the Plan cannot be solicited from a holder of a claim until such time as the Disclosure Statement has been approved by the Court and distributed to holders of claims entitled to vote on the Plan. ALL SUCH HOLDERS ARE ENCOURAGED TO READ THIS PLAN AND THE DISCLOSURE STATEMENT CAREFULLY AND IN THEIR ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THIS PLAN.

Subject to the restrictions on modifications set forth in Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, the Trustee reserves the right to alter, amend or modify this Plan, one or more times, before its substantial consummation.

The Trustee is not aware of any Class 3 Claims that may become an Allowed Class 3 Claim.

4.4 Class 4: Allowed General Unsecured Claims. Class 4 consists of all Allowed General Unsecured Claims, including the Allowed Fifth Third Deficiency Claim, Allowed Opt In Claims and Allowed Opt Out Claims.

Plan Treatment: In full and complete satisfaction and release of a Class 4 Claim, the Holder of an Allowed Class 4 Claim shall receive its Pro Rata share of Net Recovery Funds. Each Holder of an Allowed Class 4 Claim that chooses to have its Allowed Claim treated as an Opt In Claim by returning an executed Option Agreement by the Opt In Deadline, shall also receive a Pro Rata share of the Fifth Third Settlement Monies. Payments to Allowed Class 4 Claims (whether an Opt In Claim or not) shall be made on each Distribution Date, with the first payment to commence on the Distribution Date that is no less than one hundred twenty (120) days after the Effective Date. Class 4 is impaired under the Plan and Holders of Allowed Class 4 Claims are entitled to vote on the Plan.

4.5 Class 5: Allowed Interests. Class 5 consists of the Interests in the Debtor.

Plan Treatment: Holders of Class 5 Claims shall not receive any distribution on account of their Interests. Class 5 is impaired under the Plan and is deemed to reject the Plan.

ARTICLE V

Voting on the Plan

5.1 Classes Entitled to Vote. The Holders of Claims in Classes 1, 4, and 5 are entitled to vote on the Plan.

5.2 Delivery of Ballots. Each Holder of an Allowed Claim in a Voting Class shall receive by U.S. first class mail, postage prepaid, a copy of the Disclosure Statement, the Order Approving the Disclosure Statement, the Plan, and a Ballot within ten (10) days of the entry of an order approving the Disclosure Statement.

5.3 Class Acceptance Requirement. A Voting Class shall have accepted the Plan if at least two-thirds in amount and more than one-half in number of the Allowed Claims of the Voting Class timely returned a valid Ballot voted to accept the Plan.

5.4 1129(b). In the event that an Impaired Class eligible to vote does not accept the Plan, the Trustee reserves the right to request that the Court confirm the Plan in accordance with the "cramdown" provisions of Section 1129(b) of the Bankruptcy Code.

ARTICLE VI

Implementation of the Plan

6.1 Funding.

A. The Plan will be funded by the distribution of Net Collateral Funds, Fifth Third Settlement Monies, and Net Recovery Funds to the Holders of the applicable Allowed Claims.

B. Within five business days of the entry of the Confirmation Order, the Trustee shall mail to the Holder of each Class 4 Claim (with a courtesy copy to counsel, if any) a copy of the Opt In Agreement, the Opt In Agreement Instructions and a return self-addressed stamped envelope. Any Holder of a Class 4 Claim may choose to Opt In by returning the executed Opt In Agreement by the Opt In Deadline, whether such Holder voted to accept the Plan, voted to reject the Plan, or did not vote.

C. Within sixty (60) days after the Effective Date, the Trustee shall file with the Court by "Notice of Submission" a list of all the Class 4 Claims identifying them as Opt In Claims or Opt Out Claims and setting forth the Trustee's Initial Estimates. The Initial Estimates shall be updated from time to time in the Trustee's discretion and such updates will be filed with the Court.

D. The Trustee shall distribute the Net Collateral Funds, the Fifth Third Settlement Monies, and the Net Recovery Funds to the Holders of Allowed Claims pursuant to the Plan. Unclaimed Distributions shall be reallocated to the Final Distribution. Any unclaimed Distributions existing after the Final Distribution shall be paid disposed of as determined by further order of the Court.

E. Interest on Claims. Unless otherwise specifically provided for in the Plan, the Confirmation Order, or required by applicable bankruptcy law, (i) post-petition interest shall not accrue or be paid on Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim, and (ii) interest shall not accrue or be paid upon any Disputed Claim in respect of the period from the Petition Date to the date a final distribution is made thereon if and after such Disputed Claim becomes an Allowed Claim.

6.2 Calculation of Net Collateral Funds, Fifth Third Settlement Monies, and Recovery Funds.

A. The Trustee will identify all funds in the possession of the Trustee that are included in the Collateral Fund or the Recovery Fund and file this identification with the Initial Estimates. Funds currently subject to contested matters and in the Trustee's escrow fund shall be identified in the Initial Estimates. Funds in the Trustee's escrow fund that are not the subject of a specific objection shall be transferred to the Trustee's operating fund on the Effective Date. From time to time in the Trustee's discretion, the Trustee will file with the Court an updated summary of proceeds from recovered assets and whether the Trustee has identified the proceeds as being included in the Collateral Fund or the Recovery Fund. Any party in interest may file an objection to the Trustee's designation. While an objection is unresolved the Trustee will treat the proceeds as not part of the Distribution Funds for calculation of any distributions from the Distribution Funds. Any hearing on such an objection shall be set not more than sixty (60) days from the date the objection is filed.

B. Subject to establishing reasonable reserves for Disputed Claims, the Trustee will calculate the Fifth Third Settlement Monies payable to Opt In Creditors by multiplying the Fifth Third Settlement Percentage by the amount of the Net Collateral Funds.

6.3 Initial and Subsequent Distributions; Creation of Disputed Claims Reserve.

A. Within sixty (60) days of the Effective Date, the Trustee shall file with the Court the Initial Estimates. The Initial Estimates will be revised and adjusted as the amounts of Allowed Opt In Claims, Allowed Opt Out Claims, the Fifth Third Deficiency Claim, the Fifth Third Settlement Percentage, and the Recovery Expense Pro Rata Application Percentages are refined and ultimately become final.

B. The Trustee shall make the Initial Distribution based on the Initial Estimates (as they may have been subsequently revised) on the first Distribution Date to occur more than one hundred twenty (120) days after the Effective Date.

C. Concurrently with the Initial Distribution and continuing for each distribution thereafter until the Disputed Claims become either Allowed Claims or Disallowed Claims, the Trustee shall deposit in the Disputed Claims Reserve sufficient Cash to pay each Disputed Claim's share of each distribution in full. When a Disputed Claim has become either an Allowed Claim or a Disallowed Claim, the Trustee shall, as applicable, either transfer the applicable portion of the Disputed Claims Reserve to the Holder of the Allowed Claim or transfer the applicable portion to the Trustee's operating account for distribution on the next Distribution Date.

D. The Trustee shall make the Final Distribution when, in the reasonable judgment of the Trustee all assets of the Estate have been liquidated and there are no potential sources of additional Cash for distribution, there remain no Disputed Claims, and the Trustee is in a position to make the Final Distribution in accordance with applicable law. The date on which the Final Distribution is made is referred to as the "Termination Date." The Trustee shall provide at least thirty (30) days prior notice of the Termination Date to Holders of all Claims, except to the extent such Claims have been disallowed, withdrawn or paid or satisfied in full as of the time such notice is provided. On the Termination Date, the Trustee shall distribute all remaining Cash to Holders of Allowed Claims in accordance with the Plan and promptly thereafter, request that the Court enter an order closing the Chapter 11 Case.

E. As a general matter the projection and calculations of various dollar amounts (including the Initial Estimates) that are material to the amounts payable to Holders of Allowed Claims under the Plan become more refined the Trustee will adjust distributions to achieve a "true up" of the amounts to be distributed and to account for perceived "over" and "under" distributions in the past. The goal of such "true up" will be to produce as of the Final Distribution total distributions to various Holders of Allowed Claims as provided in the Plan. Even though certain monies distributed including the YCB Monies, Bond Monies and Restitution Payments may be distributed in accordance with the rules or orders of Courts or agencies other than the Court, such distributions will be credited to reduce the amount of Allowed Class 4 Claims (and will in the case of YCB Monies count toward a Holder's Class 4 pro rata distribution). In addition to this general "true up" principle, the following shall apply to distributions:

F. Delivery of Distributions. Distributions of assets to Holders of Allowed Claims shall be made directly to the Holders of such Claims at the address of each such Holder as set forth on the proofs of claim filed by such Holders. If any Holder's distribution is returned as undeliverable, the Trustee shall deposit the returned distribution into the Unclaimed Distributions Reserve and no further distributions to such Holder shall be made unless the Trustee is made aware of such Holder's then current address, at which time the undelivered distribution shall be made to such Holder, without interest. Upon the expiration of ninety (90) days following the original mailing date of a distribution or the Termination Date, whichever is sooner, the Trustee shall retain any

unclaimed distribution for the benefit of the creditor who failed to claim such distribution. At the end of that 90-day period, the creditor entitled to such unclaimed distribution shall cease to be entitled thereto, such creditor's Claim shall be deemed a Disallowed Claim and the unclaimed distribution shall thereupon be transferred from the Unclaimed Distributions Reserve to the Trustee's general operating account and made available for distribution in accordance with the Plan.

G. Procedures for Treating and Resolving Disputed Claims. No payments or distributions will be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by a Final Order, and the Disputed Claim has become an Allowed Claim. All objections to Claims must be filed on or before the Claims Objection Deadline.

H. De Minimis Distributions. Any other provision of the Plan notwithstanding, the Trustee shall not be required to make interim or final distributions in an amount less than \$50. The Estate funds that would have been distributed but for this subsection shall be reallocated Pro Rata to those Holders of Allowed Claims that are receiving a distribution of \$50 or more.

I. Preconditions to Distribution. Notwithstanding any provision of this Plan specifying a date or time for distribution of consideration hereunder, distributions in respect of any Claim, (i) that at such time is subject to a pending objection, (ii) for which the Holder of such Claim is subject to a pending Cause of Action in favor of the Estate, or (iii) for which the Holder of such Claim has outstanding an unsatisfied judgment or order from a Cause of Action in favor of the Estate, shall not be made until all such objections or pending actions have been resolved and all judgments or payment orders against such Holder have been satisfied. Upon such resolution or satisfaction, the Trustee shall promptly make such distribution to the Holder of such Claim as would provide that Holder with a total distribution based upon the amount of that Holder's Allowed Claim that is equal to the Pro Rata distribution made to Holders of other Claims of the same Class or priority. If any distribution is made on a Claim prior to the timely filing of an objection or a Cause of Action, and the Court subsequently grants the objection, in whole or in part, or enters judgment against the creditor in the Cause of Action, the Trustee may take appropriate actions to recover the overpayment portion of such distribution or to net such overpayment against any further distribution or distributions to the creditor from the Trustee under the Plan.

6.4 Trustee as Plan Agent.

A. Continuation of Trustee's duties post-Effective Date. The principal function of the Trustee after the Effective Date is to liquidate and collect the Property and make distributions in respect of Allowed Claims in accordance with the terms of this Plan. The Trustee shall perform this purpose in a manner consistent with the nature of the assets to be administered, obligations to be satisfied, claims to be disputed, and Causes of Action to be pursued. The Trustee will comply with all of his obligations,

including, but not limited to, obligations arising by operation of the Bankruptcy Code, Bankruptcy Rules and the terms of the Plan.

B. Effectuating Documents; Further Transactions. The Trustee shall be authorized to execute, deliver, file or record such contracts, instruments, releases, indentures and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

C. Powers and Duties of Trustee. Pursuant to the terms and provisions of this Plan, the Trustee (utilizing his Professionals) shall be the sole and official distribution agent for the Holders of Allowed Claims. The Trustee shall carry out the implementation of this Plan and shall have all duties, powers, and standing and authority necessary to implement the Plan and to administer and liquidate the assets of the Estate for the benefit of Holders of Allowed Claims. The Trustee's powers shall include, without limitation, the following:

- i) Maintaining the books and records of the Estate and providing for storage and destruction of records as deemed appropriate;
- ii) Liquidating any remaining unliquidated assets of the Estate and selling or otherwise transferring for value any non-cash Property;
- iii) Litigating or settling any Claims or Causes of Action asserted by or against the Debtor or the Trustee, subject to approval from the Court using all commercially reasonable efforts to cooperate with other parties in such litigation, and retaining such Professionals with the approval of the Court as the Trustee may in his discretion deem necessary with respect to the Trustee's prosecution of various Causes of Action;
- iv) Abandoning any Property that cannot be sold or otherwise disposed of for value and whose distribution to Holders of Allowed Claims would not be feasible or cost-effective in the reasonable judgment of the Trustee, and subject to approval from the Court;
- v) Administering the Disputed Claims Reserve, which shall be maintained as a separate, segregated fund;
- vi) Administering the Distribution Funds;
- vii) Making interim and final distributions of Estate funds as provided in this Plan;
- viii) Filing with the Court the reports and other documents required by the Plan or otherwise required to close the Chapter 11 Case and preparing and filing any tax or informational returns that may be required;

ix) Incurring, at the expense of the Estate, such charges, costs and fees as are necessary and appropriate in connection with the performance of its duties;

x) Taking any other actions that the Trustee determines to be in the best interests of the Debtor's creditors and consistent with the purposes of this Plan.

D. Reporting Requirements. The Trustee shall prepare and file with the Court quarterly reports, as soon as practicable after the end of each calendar quarter showing in reasonable detail all amounts received by the Trustee and all distributions and the amounts and recipients thereof during the period of time covered in the report.

E. Retained Actions. In accordance with Section 1123(b)(3) of the Bankruptcy Code and except as otherwise provided in this Plan, the Trustee will retain and may (but is not required to) enforce all Retained Actions and all other similar claims arising under applicable state laws, including, without limitation, fraudulent transfer claims, if any, and all other Causes of Action of a trustee and a debtor-in-possession under the Bankruptcy Code. Exhibit ___ to the Disclosure Statement Plan sets forth a more detailed description of Retained Actions.

F. Retention of Professionals. The Trustee may rely upon any Professional appointed in this Chapter 11 Case for guidance in the performance of his duties and may employ other Professionals as he deems appropriate and as approved by the Court. All Professionals who perform services for the Trustee from and after the Confirmation Date shall continue to have the right to file fee applications and expense reimbursement requests and obtain payment of such allowed fees and expenses from the Estate promptly upon their approval by the Court.

G. Final Report. Within thirty (30) days of the Termination Date, the Trustee shall file with the Court a final report of distributions and perform such other duties as are specified in the Plan, whereupon the Trustee shall have no further duties under the Plan.

The injunction provided in Section 7.5 of this Plan shall not terminate and shall continue in existence notwithstanding this Section 7.6.

7.7 Binding Effect. On and after the Confirmation Date and subject to the occurrence of the Effective Date, the provisions of the Plan shall bind any Holder of a Claim against Debtor, the Trustee or the Estate and each's respective successors and assigns, whether or not the Claim was filed, deemed filed, or impaired under the Plan and whether or not such Holder has accepted the Plan.

7.8 Exemption From Certain Transfer Taxes and Recording Fees.
